**Treasurer's Report:** Given by Nick

Checking: \$2,107.69  
Savings: \$19,981.82

The 5/16 event was held in the rain – the club lost \$572. The club lost \$50 on the last event due to low attendance.

Motion to accept: Han  
2<sup>nd</sup>: Doug

**RE Report:** Given by Richard

There is a possibility that the club may be running too many events. Next year, we may consider cutting the number of events by 1/3. If another event is cancelled due to weather, we will not plan to reschedule it. We are considering scheduling 12 – 14 events for next year and possibly doing more events at other sites, such as both days of OktoberFast on the track rather than the parking lot.

We will consider moving some of the current parking lot events to the track if possible and raising the entry limit for track events to 110-125 cars. SCCA rules prohibit advertising spectator events, but it is OK to post info about our events on other club forums, so we will encourage and promote that.

**Competition Report:** Given by Han

The mugs (trophies) have been shipped, and the timing equipment is operating well. Han has a coworker who will let us use a higher-power FM antenna. Our frequency is 87.9. We are in good shape on supplies.

Richard will donate a car battery charger for the timing display. The laptop display did not work at the last event due to technical issues. Han will contact Arnold about the issues.

We need 8 new umbrellas for the worker stations and will see if we can get them donated.

Han will check to see if ACES and the Z Car Club have insurance for their events and will get a contract with the ACES group.

We did not use the sound meter at the last event – it may have a calibration issue.

Motion to accept: Brian

**Old Business:**

The Chevelle Club event is scheduled for 6/11 – Brian will bring the trailer.

**New Business:**

Richard gave special thanks to all in attendance for their work this year.

Motion to adjourn at 7:49 p.m.: Doug  
2<sup>nd</sup>: Han
