- Meeting was virtual due to Covid-19

Regional Executive's Report [Hayden]

- Street Survival
 - Possible parent (Nissan #employee) to support a TRSS, with Nissan sponsorship at Williamson County Ag Ctr.
 - Currently no Street Survivals planned for 2021 yet due to Covid-19 per national office.
 - Waiting on Street Survival check from NCM event. SD is working on it.
- Track Events, still looking at TNiA for NSS, but will have to wait til after NASCAR runs there.
- Music City GP volunteering opportunity
 - Organizers need corner workers/flaggers. Need training to be qualified, 1-2 races of previous experience.
 - Also could have openings for other items like hospitality (food deliveries to corner workers)
 - Maybe have TRSCCA tent/car in the vendors alley.

Competition Director's Report [Logan]

- Championship winners' emailed to get Jacket info. Only waiting on one reply before sending in order.
- Other championship awards still need ordered, 2nd and 3rd getting cone plaques, and a couple other special awards. (I need MOTY from Brad).
- Changing to Pronto timing. Would be ~\$2000 for software to switch. SCCA grants not occurring this year.
 - Consider postponing until next year and renew axware for 1 more year. Appropriate funds to equipment like radios.
- Next year schedule is currently being formulated.
 - 5 NCM dates for Points events and 3 dates on Saturdays for non-points events
 - 3 JWAG dates
 - Need April, June, and November dates still. Ag Center could not do April like was planned. Possibly use TFR for those three events?
 - Unfortunately MCR does not want any events run on their lot next year. We will continue to follow up to try to get back at their location.
